

Kingsley Parish Council – Jan 2017

Good News – New Councillor

The Parish Council is please to announce that the vacant seat on the Council has been filled.

The new Councillor is Roger Fletcher. Roger was coopted onto the Council at the November meeting; an election was not needed as no other candidates have come forward in the several months since the seat was vacated.

Cllr Fletcher is a new resident having moved in to the western end of the village about a year ago.
