

## **Parish Mailing List**

The considerable interest recently shown by Kingsley residents about an “Improved Broadband Service” has highlighted the need for effective ways of communicating with all in the village. Sometimes messages need to be sent at short notice and often more frequently than once a month.

This has led the Parish Council to consider quicker ways to inform everyone about local activities and issues to augment the monthly reports in Kings World and the Parish Council website. It is believed that using email technology will provide an important part of the solution. However, this relies upon the Parish Council having everyone’s email address!

If you would like to be part of the Kingsley Parish Council scheme then please send your email address, along with your name and postal address to [mail.list@kingsleyparishcouncil.org](mailto:mail.list@kingsleyparishcouncil.org).

Your data will be kept safe by Kingsley Parish Council and it will only be used for sending out parish information to you. It will not be passed on to any other organisation without your permission.

Please help us to keep you up to date about local issues by providing us with your email details.
